15-150 Fall 2013
Lab 14

4 Dec 2013

1   Introduction

1.1   Getting Started

Update your clone of the `git` repository to get the files for this week's lab as usual by running

        git pull

from the top level directory (probably named `15150`).

2   Mid-semester Survey

Please take a few minutes to leave feedback about this course:
